NEW HAMPSHIRE
STATE LIBRARY

WE ARE GLAD

Just the same, whether you stop in to have your glasses adjusted, and incidentally to wait for a car, as when you require our dark room service.

We wish to thank our Goffstown friends again for their patronage and words of commendation.

STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Goffstown, in the County of Hillsborough, in said State, Qualified to Vote in Town Affairs:

You are hereby notified to meet at the town house in said town on Tuesday, the twelfth day of March next, at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers and agents for the ensuing year.

2. To choose two delegates to the constitutional convention to be held at Concord beginning June 5 next.

3. To raise and appropriate such sums of money as may be necessary for the support of schools, for the maintenance of the poor, for repairs of highways and bridges, and for Memorial Day.

4. To see how much money the town will vote to raise for the Goffstown public library.

5. To see if the town will vote to adopt the provisions of chapter 79 of the Public Statutes, relating to sewers.

6. To see how much money the town will vote to raise for the construction of sewers, should it vote to adopt the sewer law.

7. To see if the town will vote to comply with the provisions of the law for the purpose of procuring state aid for highways.

8. To see what sum of money the town will vote to raise for enlarging and improvements in cemeteries.

9. To see if the town will vote to build a new fence at the West Lawn cemetery and raise money for the same.

10. To see if the town will vote to publish in its annual report a record of the minutes of the annual, biennial, and special town meetings held in said town in the future as they occur.

11. To hear any report of the town history committee and see what action the town will take toward raising money for the same.

12. To see what action the town will take guaranteeing perpetual care of lots in cemetery when bequests have been left for that purpose.

13. To hear the reports of agents, auditors, and committees, and pass any vote relating thereto.

14. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-fourth day of February, 1912.

GEORGE L. EATON,
CHARLES E. PHELPS,
LUCIAN W. BARTLETT,
Selectmen of Goffstown.

GOFFSTOWN, N. H., February 17, 1912.

REPORT OF BOARD OF HEALTH.

The past year there has been exceptionally few contagious diseases and no epidemic has occurred.

There has been reported to the board as follows: four cases of diphtheria, one of which resulted fatally; one case of scarlet fever, one of typhoid fever, two of tuberculosis, and two of measles.

In regard to the subject of sewerage, which is of such vital importance and agitated for so many years, if the citizens vote favorably at the town meeting on the article relating to the sewerage the matter will then be in the hands of the selectmen.

Samples from the village supply of drinking water have been sent to the state board and the analysis was satisfactory.

Respectfully submitted,

A. P. SEETON,

E. B. SWETT,

H. H. STARK,

Board of Health.

GOFFSTOWN, February 14, 1912.

REPORT OF TRUSTEES OF GOFFSTOWN FREE LIBRARY.

The trustees of the library report a very successful year as usual. Although we were obliged to accept the resignation of Mrs. William E. Blaisdell, we were fortunate to procure the services of Mrs. Ida J. Carpenter, who had been assistant librarian in Lawrence, Mass., for a number of years and was capable of taking up the work to the satisfaction of all patrons. She has been ably assisted by Miss Etta S. Hart, and through their liberality the library was opened two extra afternoons for a month without extra charge. We still have hopes that some liberal person will add to the fund already in the bank.

Chairman.

REPORT OF TRUSTEES OF CEMETERIES.

It is with pleasure that we are able to report that during the past year a great improvement has been made in the cemeteries as to their general appearance. At a meeting of the trustees early in the season they voted that the sum of two hundred dollars be expended at the Grasmere cemetery in fixing up some of the old lots and that the fence be repaired and painted. The trustees wish to thank the Grasmere Village Improvement Society for cleaning the yard and its donation of \$50 for improvements in the yard, which, added to \$266.06, the amount expended by the trustees, makes a total of \$316.06 expended in this yard during the year.

The West Lawn cemetery has again been looked after by a committee of the Unity Club. The trustees voted the committee \$100 to continue their work of grading up some of the old lots, which they commenced last year, and with the \$100 donated by the club and about \$40 by relatives and friends, a very substantial and lasting improvement has been made, and the trustees again express their thanks to the committee, and also to the club, for their continued interest in beautifying the West Lawn cemetery.

Last year we called the attention of the citizens of the town to the condition of the fence around this cemetery, which will soon have to be built over.

L. H. HOYT, Supt. of Burials.

REPORT OF THE BOARD OF EDUCATION, INDEPENDENT SCHOOL DISTRICT.

At the beginning of the school year we were obliged to procure three new teachers for the high school. Mr. Smith and Miss Bourne resigned. Miss Kelly left for a better position at Claremont. We succeeded in inducing Mr. William H. Martin, a Bates' graduate, who had a very desirable position in another state, to come here, thus getting an experienced principal, and the result has proved the wisdom of so doing, and we know that the district will wish us to retain him as long as we can. The assistants were Miss Marjorie Rowell, a graduate of Wellesley, and one of our own girls, and Miss Gladys Wellington of Webster, Mass., also a Wellesley graduate, and they have worked so smoothly with the principal, that the results have been very gratifying to us. The grades have been under the same efficient teachers of last year, and there is not one but what we would be very sorry to part with.

A new fence has been built around the playground. It has been built of wire and is a very stout, serviceable one, and should last for years. The drinking fountains should be replaced with the new bubbling ones, as they are sanitary, while the old ones expose the children who use them to danger. One child with diphtheria drinking out of these old cups would expose every other child who used the cup to the disease. The new ones would cost but little and should be furnished. We are all aware that there is no place in which the pupils can stay, until the time arrives for them to take their trains. They stay in the school building as long as they can see, and then are obliged to go out on the street. The number of out-of-town pupils have become so numerous that

this must be remedied, and the time has come when the school building should be wired for electricity. This would cost but little, and the school would be given a home where they could meet and have debates. There is no place in the town the pupils can have to meet in without cost to them: other schools are making a school home for the pupils and they find it pays. It is especially needed in this town where neither play-room nor playground is provided. The blackboards in the high school must be replaced by slate boards. This is imperative, as work can not be done on those we have. They must be replaced before another year.

We shall need this year \$3,312 for teachers' salaries, \$100 for music, \$375 for janitor and truant officer, \$250 for fuel, \$300 for blackboards, \$100 for supplies, \$125 for books, and \$75 for salary of Board of Education, so that it will be necessary this year to raise about \$2,000 above that required by law. By doing this we feel that we should be in a position to pay \$100 on the note which the district owes, as well as the interest. Surely it is for our interest to have this debt paid up as soon as possible, and stop the interest on the note.

REPORT OF SCHOOL BOARD OF TOWN DISTRICT.

In presenting our annual report we believe we can justly claim a good degree of success for all our schools, the teachers and pupils working together in a way that insures results.

In subdistrict No. 4 there was no school in the spring and fall, while in Nos. 11 and 12 the fall and winter terms were omitted owing to the small number of pupils which were transferred to other schools. All the other schools of our system have been in session during the three terms.

On November 21 a teachers' institute was held by the New Hampshire Department of Public Instruction at Goffstown, in which this district joined the special district; while the state superintendent, Hon. Henry C. Morrison, was unable to be present the meeting was addressed by several speakers and was an interesting and profitable occasion.

We wish to extend our thanks to the Aetna Insurance Company of Hartford, Conn., which, through their agent, Mr. George P. Hadley, presented the Grasmere grammar school with a handsome steel plate engraving of Mount Aetna during an eruption.

We also extend our thanks to the selectmen for the use of the hall at Goffstown for the teachers' institute and the hall at Grasmere for memorial exercises.

During the year our schools have been represented by thirty-four pupils in the high schools.
